J.P. Morgan is a global leader in financial services, offering solutions to the world's most important corporations, governments and institutions in more than 100 countries.

Prime Services is a key component of Markets & Investor Services within the Corporate & Investment Bank. The business brings existing capabilities under one organization in order to provide a holistic, end-to-end solution to J.P. Morgan clients across both the buy-side and sell-side. Prime Services includes: Global Clearing, Prime Brokerage & Equity Financing.

The firm has built a world class clearing service by effectively combining four essential factors: intellectual capital, innovative technology, deep financial resources, and input from sophisticated clients.
